

ASSEMBLE INSTRUCTION

INDOOR

Class D
EN 14468-1

Before starting to assemble the tt-table and before using it for the first time please read the assembly instructions and the information for the user very carefully. They contain important advices for safety when using the table. Please keep the instructions for your information, for maintenance and for ordering spare parts as long as you use the tt-table.

- ★ At least **two adults** have to participate in the assembly of the tt-table which should be carried out on a clean and soft floor.
- ★ Before commencing the assembly, check all the parts according to the Parts List and make sure that are all present and correct.
- ★ Please follow the ABC references for the order of the assembly.
- ★ If there is a **text mark**, please read the explanation on page 9.
- ★ If there is a **part mark**, please read the information relating to it in the Parts List on page 10.
- ★ For all moving parts, don't over tighten screws, careful testing of functionality immediately after completing the assembly.
- ★ Please use the tools as indicated for each of the assembly stages.
